A GROWING NEWSPAPER A GROWING COMMUNITY

Vol. 65, No. 29 CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA 10c Thursday, August 1, 1957

Down the Trail From Day Camp

Under the sponsorship of the Campbell High School District Recreation Department, Day Camp activities give the youngsters an opportunity to be in the open and learn of the wonders of Mother Nature, as the pictures on the left will testify.

The top photo shows Day Camp members on a hike over the Bear Creek trail in the Santa Cruz mountains. Pictured from left to right are: Jim Crawford, instructor; Pat Miller, 745 Shady Dale, Campbell; John Love, 1691 Marina Way, San Jose; Jeff Cooper, 351 Leigh Ave., Campbell; (Yvonne Buttle, 2588 Leigh Ave., San Jose is barely visible behind Jeff) and Tom Hardy, 15134 Woodard, San Jose.

In the middle picture, John Love and Yvonne Buttle, search for tadpoles in the Los Gatos Creek while in the bottom picture at the Lexington School in the Santa Cruz mountains, Jeff Cooper holds mold frame while Pat Miller pours plaster mixture to form deer track made by deer visiting the Los Gatos Creek that morning. A completed mold is by Jeff's knee.

Fourth, fifth and sixth graders can attend Day Camp sessions which last for 10 days. Another session is scheduled from August 5-16. A fee of $10 is charged and registration can be made at the high school district office, 151 N. Winchester Road, Campbell.

(All photos by Bob Elmore)

Radar Bags 107 In Trial Period

For the first time, the electronic age came to the aid of the Campbell police this week in the form of radar and at least 107 people should now be convinced that it works.

The radar equipment was on loan from the sheriff's department from Monday through Wednesday noon. During the 15½ hours it was in operation 107 drivers were cited for speeding on various streets of the town.

Eight different locations were used during the period with the greatest number of citations (45) issued for violations on two spots on W. Campbell Ave. The radar was set up on N. Winchester Road (10), S. Winchester (5), Virginia Ave. (11), Hamilton Ave. (14), Fewtrell (0) and Harrison (1).

Chief of Police Robert Locke and Sergeant John Morgan of the Campbell police report that no cars were stopped unless going more than 5 miles over the speed limit and most of the citations were for 10 miles above.

Chief Locke said that the public reaction to the radar was good and very few of the drivers resented being stopped. He said he felt that it served an excellent purpose as a preventive measure but that to be effective it must be consistent. He hopes to borrow the equipment again and plans to request the City to purchase an outfit next year. The radar costs about $1,000.

Motorists were warned by a radar speed check sign considerable distance from where the machine was set up

On The Line in Campbell

George R. Chaboya, 56, of 1120 N. Third St., San Jose, auditor and chief accountant for the affiliated cooperative driers of the California Prune and Apricot Growers Association since 1945, has been appointed business manager of the Campbell Union High School. He succeeds George Kemp who will return to teaching.

—o—

Larry A. Brown, 1172 Holmes Ave., Campbell, has been appointed to the sales staff of Wyeth Laboratories, Philadelphia pharmaceutical concern, according to Stuart V. Smith, vice-president. Brown, who was formerly associated with Swift and Company and Sears, attended San Jose State. His headquarters with Wyeth will be in Fresno.

—o—

Two former Campbell High students now attending the Berkeley campus of the University of California have been awarded undergraduate scholarships based primarily on scholastic achievement. Hector Leroy Cordova, 831 S. Winchester Road, freshman in letters and sciences and Byron Jay Hanson, 670 Emory Ave., freshman in engineering, were the recipients of the awards.

—o—

Frederic Anthony Schraub, son of Mr. and Mrs. Fred L. Schraub, 86 Carlyn, Campbell, was among the 426 students at Stanford University who received "undergraduate honors" for high scholastic standing, the university has announced. The honored students must maintain a grade-point ratio of 3.5 or higher. A ratio of 4.0 is equivalent to the grade of A.

—o—

Jimmie R. Marshall, commissaryman third class, USN, son of Mrs. C. E. Jones, 390 Leigh Ave., Campbell and husband of the former Miss Jane A. Mullen, 310 Sunberry Drive, Campbell, is now on a cruise of the western Pacific aboard the attack aircraft carrier, USS Bon Homme Richard.

—o—

A 69-year-old San Jose resident, Herbert Judson Moncrief, was taken to O'Connor Hospital on Monday with serious injuries resulting from a two-car collision on Winchester Road near Budd Ave. on Monday about 5 p.m. The car driven by Moncrief rammed the rear end of a truck driven by Marion Eugene Hanker, also of San Jose.

—o—

Campbell police report that the boy's gym at the Campbell High School was broken into some time Sunday night and recreation equipment valued at approximately $95 was taken. Entry was gained into the locker room through an unlocked door.

FIRE RUINS HOME . . . Campbell firemen pour water on the roof of the home of William Bender, 709 E. Hamilton, when a blaze last week apparently caused by faulty wiring gutted the five-room house. The house, located on property of Rose Borello, is in county territory but part of the property lies within the City and the call came to the city. County firemen, according to a San Jose paper's report, resented the slowness of the Campbell firemen in notifying the county of the fire. Campbell Fire Chief Jack Scott answers such criticism in a letter to the editor in this issue. (See the editorial page).

—Campbell Press Photo

Legion Asks City For Hall Permit

Past differences of opinion over the status of the proposed Legion clubhouse on E. Parr Ave., were recalled this week when the West Valley Post No. 158, American Legion, filed a request for a use permit with the City of Campbell.

The Legion is requesting a permit to maintain and use the building which is located on its property, as a meeting hall. The public hearing on the application has been set by the Planning Commission for August 20 at 7:30 p.m. The application was filed by Fred Smith of the Post.

The building, owned by the Legion, is the [illegible] gun [illegible] was moved [illegible] the property that had been purchased by the Post. The property recently was annexed to the City of Campbell.

West Valley Legion officials bitterly fought annexation to the City. They engaged in public name-calling of city officials claiming among other things that "subversive" tactics had been used to get the property into the City so that the City of Campbell could prevent the Post from operating its clubhouse.

City Cuts Taxes for Second Straight Year

For the second successive year the tax rate for the City of Campbell will be cut.

On Monday of this week the City Council adopted the tentative budget for the City for 1957-58 which fixed $71,925.31 as the amount to be raised by property taxation. It is estimated that a tax rate of approximately 67 cents per $100 assessed valuation will raise this amount. Last year that rate was 71 cents.

The exact tax rate cannot be set until the assessed valuation of the public utilities has been reported but it is anticipated that the valuation of the utilities will hike about 11 per cent over last year. This figure should be forthcoming next week.

The lowering of the tax rate is possible, Mayor John M. Chargin reported, because of the increase in assessed valuation and a hike in anticipated income from the sales tax. This year the City will receive four full quarters from the sales tax while last year only two quarters were received.

Property valuation outside of utilities within the city limits showed an $1,354,080 increase this year, rising from $8,434,120 to $9,788,200.

The City, despite the employment of additional personnel and raises in salaries to present personnel will operate on a lower budget this year than last. The budget adopted Monday calls for $357,093 compared to $383,156 last year.

City officals estimate that $65,000 will be raised from the sales tax, although state officials have estimated that $85,000 will be raised in this manner.

Less than half of the entire income from the City, it was pointed out, comes from sales and property taxes, the balance is derived from state subventions and license fees.

$15 MILLION STREETS

It will cost $15 million to complete and improve the necessary streets in the Campbell area by 1971!

This was reported to the Council on Monday night by City Engineer Mark Thomas, who had been asked to make an estimate for the Division of Highways.

Of this astronomical amount, Thomas hastened to add, more than $10 million would be new streets completed by subdividers. The report cited $1,600,000 for primary roads, $2,250,000 for secondary ones and $660,000 for others.

Planners to Act on Street Plan Tuesday

Heading the jam-packed agenda of the Planning Commission for the meeting next Tuesday, August 6, will be the long-awaited master street plan for the new industrial park at the south city limits.

Getting almost equal billing, however, will be contemplated adoption of a resolution of intention to apply the new Controlled Manufacturing Zoning (CM), when it is adopted by the City Council, to the entire industrial park area.

Both actions affect the same people.

Adoption of the street plan, however, will open the way for five different actions by the Commission on applications previously continued.

These include:

1. Request for a variance and also approval of plans of Oleg Lubeckis for a manufacturing building at 49 E. Parr.
2. Request for a variance and approval of plans for Ray L. Townsend for warehouse and storage buildings at 750 Dell Ave.
3. Request for a variance of Floyd B. Day for office and storage at 805 Dell Ave.
4. Request for approval of plans of Warren Brown for industrial building on Sunny Oaks "cut-through."
5. Request for approval of plans of Jack H. Craig for industrial building on Sunny Oaks "cut-through."

On the agenda also is the continued public hearing on the request of Richard Salice for a change of zone from residential to multiple for property located on W. Rincon Ave.

The street plan is an important cog in the development, of the industrial area. Until it is adopted, no request can be made for the needed railroad crossing at Dell Ave. But it is "CM" that is causing the fur to fly.

A number of property owners have filed letters of protest with both the Planning Commission and the City Council against the proposed CM zoning.

The Council will act on the final adoption of CM zoning on August 12, but no action will be taken then as to where it will be applied. On file with the Council are letters of protest from Warren Brown, Jack Craig and Western Gravel Co.

Western Gravel, in a letter over the signature of Lynn Beatty, vice-president and general manager, has objected to both the creation and the application of CM.

SP Says Closing Depot Will Not Affect Service

If the contemplated closing of the Southern Pacific depot in Campbell takes place as planned, better service for local shippers will result, SP officials told Sam Cava, secretary-manager of the Campbell Chamber of Commerce this week.

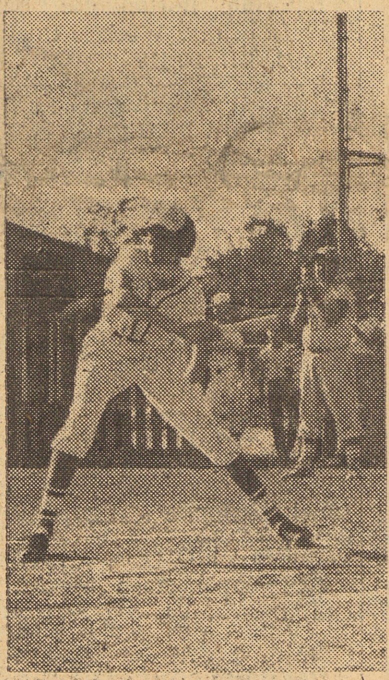
Cava said he has contacted most of the local business people concerned and other local shippers and apparently there is no objection to the closing of the depot. Campbell will remain "on the map" but freight billing will be completed in San Jose. SP officials explained that Santa Clara's depot has been closed for several years and no fault has been found in the arrangement.

J. J. McDonough, district passenger agent, and J. P. McCann, district freight agent, contacted Cava.

C of C MEETS TONIGHT

All members of the Campbell Chamber of Commerce are urged to attend the board of directors meeting tonight in the C. of C. offices on First St., Doug Beatty, president, said this week.

Clarification of the stand the Chamber has taken on the controversial CM zoning question will be considered and a report of the special membership committee of Mrs. Connie Russo and Herman Sota will be made.



SPARKS THE CHAMPS . . . Lonnie Raymond, 6-ft. Campbell Little League All-Star, has been a big factor in the so-far successful climb of the local team in its quest for the championship laurels. Lonnie both at bat and on the mound, has sparked his team to four successive victories in area and district play-offs. The locals play in Hayward tonight in the sectional play-offs. The next stop then is Santa Monica and the state finals. (See details on sports page).

City Lets Bids For $9,000 Plus

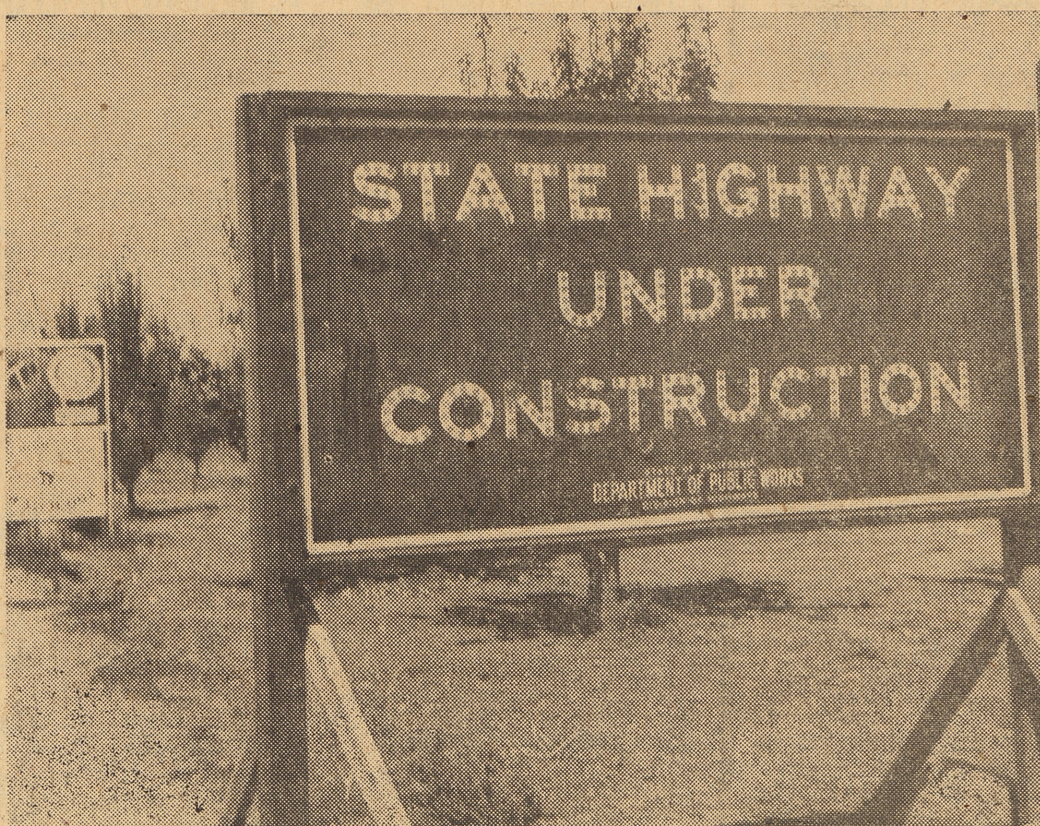
Campbell's City Council awarded bids for more than $9,000 Monday night in city improvements.

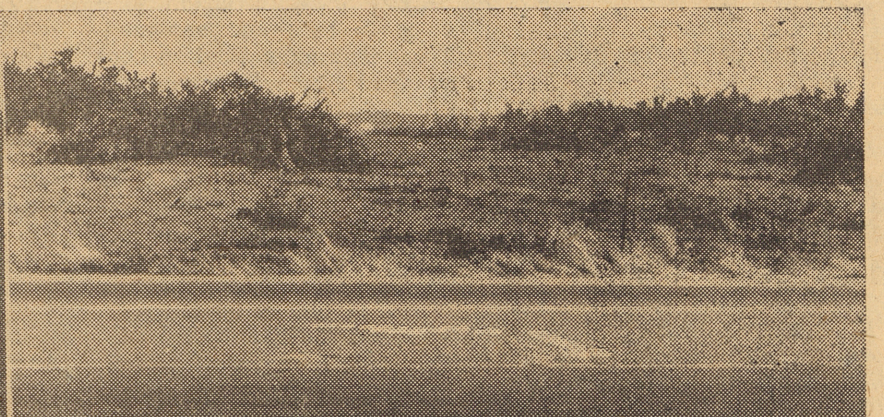
M. L. Raymond was the successful bidder for the Hamilton Ave. storm sewer project between Winchester Road and Milton Ave. Raymond's bid was $5,329.40. Two other bids considered were from Picano for $5,534 and Sanco Pipelines for $5,713.

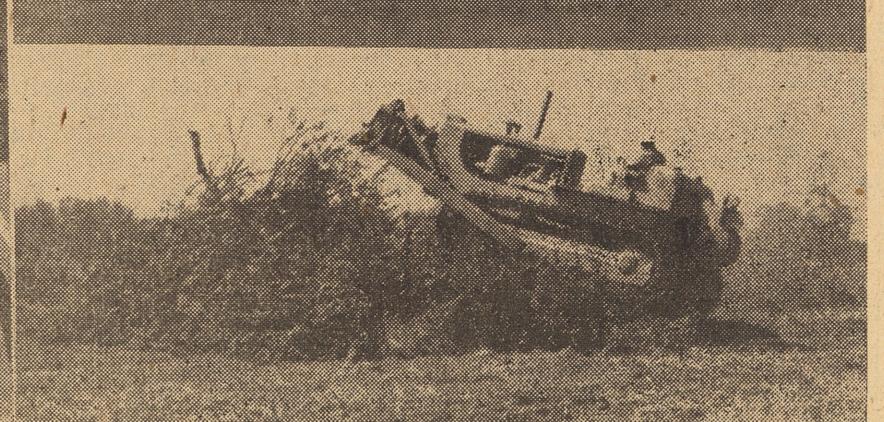
Ventre Tractor and Equipment Co., of Gilroy, got the nod for the new tractor-loader that the City is purchasing. Ventre's bid was for an International and came to $4,031.08. It was not the lowest of the seven firms that bid but B & B Tractor did not meet the specifications in any of the three bids submitted by the firm, (1) $3,924.39; (2) $3,794.09 and (3) $3,590.55. Other bidders were, Farm Equipment Sales, $4,182; Bay Cities Equipment, $4,151.66; Trask Tractor and Equipment, $4,281.68; Mechanical Farm Equipment, $5,304 and Redwine Tractor, (three bids) $4,784, $4,215.84 and $4,435.60.

The Council also approved the purchase of a portable traffic light and trailer

Work Starts on Route 5 - - - Trees Fall as 'Dozers Blaze Trail Through Orchards







Many Campbell residents felt a twinge of sadness this week while watching heavy bulldozers uproot lush prune trees and blaze a pathway through orchards, the first step in the construction work of Route 5 Freeway through Campbell.

The trail-blazing project cut through Campbell along the Los Gatos Creek. On both sides of Campbell Ave., orchards toppled

The photo on the far left indicates that it is now official: "State Highway Under Construction" reads the sign on Campbell Ave. near Union.

The lower photo next to it shows one of the bulldozers in action, while the top photo is a view of the Route 5 "trail", stripped of its trees, looking north from Campbell Ave. toward Hamilton Ave.

The highway now under construction will be 8.8 miles when completed and will extend from Santa Cruz Ave. in Los Gatos to Bascom Ave. in San Jose.

County Schedules Local Polio Clinic

Fourteen polio clinics have been scheduled during the month of August throughout the county with a Campbell clinic slated for the Hamilton School, 480 E. Hamilton Ave., Aug. 19 from 3 to 6 p.m.

County Health Department has announced that these clinics are the last in a series of public polio vaccination clinics and that no clinics are planned beyond August 21.

The clinic is open to adults as well as children and first, second and third injections will be given.

County Health Director W. Elwyn Turner has emphasized the importance of beginning the series of injections before the height of the polio season in September.

EXPLORERS RETURN FROM MOUNTAINS

Explorers Post 35, sponsored by the Saratoga Kiwanis Club, returned Sunday, July 21, from a week of camping in the Trinity Alps. Highlight of the trip was a hike to Lake Caribou, carrying enough equipment and food for a two-night stay. The boys favorite camp pastimes were fishing and pitching horse shoes.

Those making the trip were Explorers David Dearborn, senior crew leader; Terry Smith, Dennis McVey, Allan Couch, Larry Wetterstrom, Rusty Bohner and Pete Upchurch. Adults accompanying the boys were Floyd Dearborn, advisor, Dick Lindsey and Charles Couch.

To date, more than 119,000 injections of Salk vaccine have been administered in public clinics.

Three Cars Collide On SJ-LG Road

Only slight injuries were suffered by occupants in a three-car collision on the San Jose-Los Gatos Road on Sunday afternoon. Two cars were almost stopped in a traffic lane and the third car slammed into them. Drivers of the cars were Harry Bender, 2831 Lexford Lane, San Jose; Rolland Eugene Bridges, 402 N. 3rd St., San Jose and James William Armstrong, 16371 Mozart Ave., Los Gatos. Mrs. Bridges, an expectant mother, was one of the passengers, but was not injured.

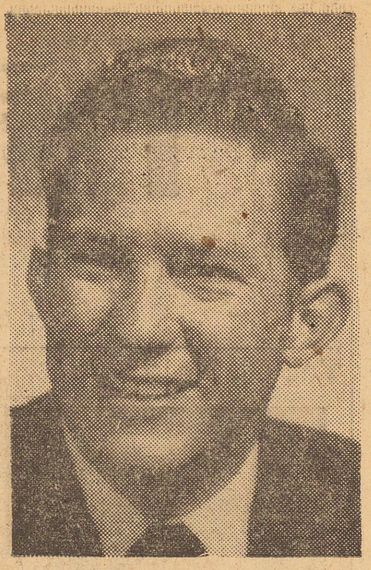
NAVY CRUISE

Navy Lt. Cdr. Douglas S. Mackay, son of Mr. and Mrs. Ralph S. Mackay, 830 Bent St., Campbell, is a member of the Naval Special Weapons Facility Detachment based at the Indian Springs Air Force Base near Las Vegas participating in the series of atomic tests at the Nevada test site. The detachment has been at the base since April and will remain until the end of this month.

Campbell Women Receive Awards

Mrs. Frances Fryer, 437 San Tomas Road, and Mrs. Fay Keller, 305 E. McGlincey Lane, both Campbell, were two of the 71 volunteer service workers honored recently at the Veterans Administration Hospital in Menlo Park for service of 1,000 hours or over.

The special "Roses and Gold Card" ceremony was the third to be held at the hospital since inauguration of the Voluntary Services program 11 years ago. Each volunteer hospital worker received a "Devotion to Volunteer Duty" certificate, a dozen red roses and an individualized gold identification card.



NEW LEE BROS. MANAGER

Bill Yancey has been named store manager for Lee Bros. super market in Campbell, Leon Sayous, vice-president of the market chain reported this week. The new manager has been with Lee Bros. for more than seven years, and with his wife, Lee and four sons lives in Centerville. Lee Bros. Inc. now operates 18 super markets in the East Bay and Peninsula.

Heir Delivery

CAMPBELL SCHOOLS GROW

The average daily attendance for Campbell elementary and high schools for the 1956-57 school year was 8974 according to the superintendent of schools, Santa Clara County.

This figure includes 5960 elementary students, an 18 per cent increase over the previous year, and 3014 high school students, a 20 per cent gain.

Campbell is exceeded in total number of students only by the San Jose and Palo Alto school districts in the county.

COMPULSORY INSURANCE

Compulsory automobile insurance and the possibility of setting up an unsatisfied judgment fund will be studied by a subcommittee of the Assembly Judiciary Committee, Chairman Bruce F. Allen (R-San Jose) has announced. The subgroup will look into traffic accident consequences, comparative negligence and the insurance matters.

MISS CAMPBELL . . . Joan Faulkner, 17, is being sponsored by the Campbell Chamber of commerce as candidate for queen of the Santa Clara County Fair and will represent the City of Campbell. She is the daughter of Mr. and Mrs. Lawrence Faulkner, 214 Rosemary Lane. Joan was runner-up for queen of the 65th Old Settlers Day

Moreland Board Meets on Friday

Following the annual public hearing on the budget for the Moreland School District, this Friday at 7 p.m. the trustees of the district will hold their regular monthly board meeting, Mrs. Gussie Baker, superintendent, reported this week. It will be the only board meeting for the month. The regular date for the meeting would have been August 13.

Mrs. Baker also reported that the state has approved an allocation of $193,000 to build a new wing of four classrooms and administration unit at the Bucknall School and that the district has applied for funds to purchase a site for the sixth school of the district which will be located north of Graves Ave. and west of Saratoga.

Construction is well under way on the Elvira Castro School on Campbell Ave. near the city limits of Campbell. This school will house seventh and eighth graders and Frank Lavoi, now principal of Moreland, will be the principal.

Mrs. Virginia Carr, who has taught in the district for a year, has been named dean of girls at the new upper grade school. It is expected that the new school will be ready for occupancy during Easter Week and the eighth grade graduation exercises will take place in it.

Jr. Riding Club To Stage Horse Show for Kids

Youngsters of Walt Phillips' Junior Bar Nothing Riders will stage a horse show on Sunday, August 11, to raise funds for needed riding equipment. The show will be held at the Guadalupe Red Shirts' grounds, Blossnom Hill Road opposite Harwood, beginning at 10 a.m.

All amateur junior riders in the area between the ages of 1 and 17 are eligible to participate. Entry fees are low and admission is free. Further information can be obtained by calling Phillips, at EL 4-3845.

There will be games, ponies to ride, and Joe the Clown to amuse the children.

Proceeds from the sale of hot dogs and soda pop will be used to buy equipment needed by the Bar Nothing Riders for competition in other hourse shows. In spite of their lack of gear, the young riders have won 8 trophies and 38 ribbons in competitive riding so far this year.

The junior riding club was started in early spring by Walt Phillips at his ranch, 1815 Bicknall Road, because he loves both horses and kids. Not content with teaching his own four to ride he soon began teaching the neighborhood children free of charge. From this beginning the group of young riders grew to 13 and decided to form the Junior Bar Nothing Riders. The club is complete with officers, by-laws, a small checking account, and still free of charge.

Phillips originally started with one horse but added the second a few months later. The group now has 10 horses to ride. Some Phillips has purchased, others were gifts from persons hearing of his work with children, and some are owned by his riders and stabled at the ranch at no cost except for feed.

Phillips' hopes to add a few more horses to his string so that all the youngsters can be mounted at once and not have to take turns riding.

Kiwanis Meet Tuesday

Mrs. Amelia Anderson of the Santa Clara County Welfare Department, will be guest speaker when the Kiwanis Club meets at 12:10 noon Tuesday, August 6, in the Library Building, First and Campbell Ave. Her subject will be "Our Aged."

Bill Henley will be chairman for the day.

Final Rites Held For Victims of Headon Collision

Funeral services were held on Tuesday and Wednesday for the three Campbell area victims of a headon collision Sunday morning at the Santa Cruz grade. Services for the fourth victim, a soldier, Samuel Scott McDaniel, 19, of 14868 Union Ave., Campbell have not been completed.

McDaniel was the driver of the automobile which collided headon with a station wagon in which the other three victims were traveling to Moss Landing on a fishing trip.

Services were held Tuesday for Vincent R. Butera, 27, at Mission Chapel of Rancadore & Alameda.

Butera; a brotoher, Manuel Buman, lived at 14400 Jackson St. He is survived by his widow, Shirley; four children Linda, Luana, Gennelle and Vincent, Jr.; his mother, Mrs. Diolinda Butera; a brother, Monuel Butera; and sister, Mrs. Ann Sanchez.

Services for Alvin M. Newton, 31, of 3108 Santa Margarita Ave., were held Wednesday at Fruitdale Chapel, Oakland, Interment was in Golden Gate National Cemetery.

Newton leaves his widow, Paulina; a son, David; his parents, Dennis R. and Nettie Newton; and five brothers.

Final rites for Maurice G. Haga, 56, of 1144 White Oaks Road, were held Wednesday at Campbell Memorial Chapel.

Haga leaves his widow, Margaret; six sons and daughters, Terrell of Los Gatos, Douglas of San Bernardino, Mrs. Veverly Phillipson of Azusa, Mrs. Elaine Henson of Campbell, and Joan and Rosalie Haga of Campbell; two brothers Richard and Oliver, both of Idaho; and 14 grandchildren.

Campbell Farmer Claimed by Death

Final rites for Komakichi Nakamura, 70, a retired Campbell farmer, were held Tuesday at San Jose Buddhist Temple. He passed away Thursday at a San Jose Hospital.

Nakamura made his home at 865 W. Rincon Ave. and was a native of Japan.

He is survived by his widow, Kiyoko; three sons, Harry of West Los Angeles, George of Campbell, and Fred of San Jose; a sister, Mrs. Toka Matsutani of Martinez, and three grandchildren.

Solitaire, which is experiencing a revival of popularity in this country, is supposed to have been invented by a French political prisoner in the Bastille in 1650.

Death Claims Father of 12

Services were held last Friday at Campbell Memorial Chapel for Fielding Hugh Long, 88, who died Tuesday, July 23, in a Campbell rest home. Interment was in Santa Clara City Cemetery.

A native of Missouri, he was a retired farmer and lived at 15062 Bell Escou Drive.

He is survived by 12 children: Jess of Campbell, George, Charles, and Mrs. Lola Lamb of San Jose, Mrs. Marie Maxiner of Oregon, Mrs. Irene Vines of Bakersfield, Mrs. Laura McCow of Visalia, James of Venice, Chester of San Juan Capistrano, Fielding with the Army in France, Oliver of Iowa, Elmer of Missouri; and a number of grandchildren.

New York's famed Central Park contains 860 acres.

Retired Rancher Succumbs at 83

Funeral Services were held Tuesday at Campbell Memorial Chapel for William E. Dreisback, 83, who died Friday, July 26 in a San Jose hospital after a short illness. Intertment was in Los Gatos Cemetery.

Dreisback was a retired rancher and made his home at 138 S. Railway Ave.

He leaves his wife, Margaret, a daughter, Mrs. Betty E. Park of France; and two sons, William Dreisback of Healdsburg and Leslie Dreisback of Hayward.

George A. Gray, 1190 Robway, Campbell, was graduated this month from recruit training at the Naval Training Center in San Diego.

There are an estimated 19,000 square miles of peat bearing land in Sweden.

Post Office Plans Improved Service

Details of an extensive program to improve mail service throughout Californio by mechanizing major postal installations in Los Angeles and the San Francisco Bay Area have been released by Regional Director Verne Scoggins of the Post Office Department.

Key parts of the program involve modernization projects costing almost $375,000 for the Rincon Annex and Ferry Annex in San Francisco and about $1 million for mechanical equipment at the Los Angeles Terminal Annex. Scoggins said, "These projects will eliminate much of the heavy manual drudgery in mail handling and speed the movement of mail through California's largest postal terminals."

In addition, a comprehensive engineering study of mail movement in Oakland and the East Bay area has been launched to develop plans for improved service in that metropolitan area. Another engineering and mail delivery study now underway is developing plans for a modern airmail facility at the Los Angeles International Airport.

Congress authorized penny postcards on June 8, 1872.

CLUB PLANS BARBECUE

The Italian American Club of Campbell will hold its first annual barbecue Sunday, August 4 at the Matachi Ranch near Almaden beginning at 12 noon. The barbecue is open to the public with adults being charged $1.50 and children 75 cents.

President Peter Aiello and Chairman Roy LaBarbera are in charge of the affair which will include dancing, dining, food and games.

EDITORIAL

There Is SO Much to be Done!

Just about a year ago considerable furor was aroused locally when Sam Hanson, a columnist in a San Jose paper, referred to Campbell as a "dirty little town".

The Press, of course, got into the act along with a number of others and rightfully resented the slur on the good name of our community by a rank outsider.

We all admitted that there was much to be done to make Campbell presentable but we were working at it and disliked having a stranger hailing from some place which is far from a bed of roses cast aspersions about our condition.

"Look who's calling the kettle black", we added.

That was a year ago.

Last week, Sam Hanson, in one of his last columns in the San Jose News (he changed allegiance this week and returned to the Los Gatos Times-Observer) took another look at the Campbell situation.

He wanted to see, he reported, what had been done to the "dirty little town" in a year's time.

Despite the fact that Sam implied that his remarks in his column of a year ago had been responsible to a certain degree for some of the progress that had been made in the year's time, he did recognize in last week's column that Campbell has improved its appearance to a great extent.

He also tossed a few bouquets toward The Press for which we are appreciative.

The point, however, is not the pinning of credit on any group, newspaper or individual for any progress that has been made.

The important thing is that SOMETHING HAS BEEN DONE.

We are grateful to any outsider, whether he is a newspaper columnist or just a tourist, who will give our community credit for taking steps forward.

We realize that there have been improvements and a certain amount of face-lifting both in the business sections and in the residential areas. But there is still much to be done.

Community pride is an intangible factor but we first must have it before any progress can be made. We think that slowly it is being crystalized and that, if cultivated carefully, the steps that have been taken last year can be the beginning of a new era in self-improvement.

City officials can play a major role in this development but, actually, they can only be the directors. It will take the cooperation of all to accomplish the objectives.

We have long been convinced that basically the city officials are attempting to steer a course that will make the City of Campbell a better place in which to live and work.

There will be times, of course, when the city officials will be put on the spot and irate citizens will claim that they are deterring rather than aiding the overall program.

For example, during the last year, the city's building inspector, Bud Morser, has contributed a great deal toward getting the face-lifting program off the ground. Morser's office has attempted to reconcile the face-lift operations with other factors involved. It has been his responsibility to temper theory and ideals with practical application.

If you don't think that is a problem in an old community such as Campbell, try it some time.

The building inspector's office is a very valueable one. It must exert pressure and it must use diplomacy, but it plays a key role in any future improvement program, especially as it applies to any so-called 'old-town'.

We thank Sam Hanson for his review of the past year.

We sincerely hope that he will be around next year at the same time to review and report again.

We hope the next review will be as satisfactory as this one was.

But, gosh, there is so much to be done!

Over the Years

By John D. Blaine

Councilman Myron L. Fairchild's contribution to the Press on July 18 I thought very fine, both in ideas and spirit.

He discussed very intelligently the problem of dealing with problems—problems natural to what he called "growing pains." But over the years I have come to understand that growing pains are often followed by shrinking pains.

Hence the situation has two sides. Here I shall look back over the 70 years I have personally lived and observed in this community, and point out some shrinking pains.

When I arrived in 1887 fruit raising was being called a "gold mine." It was said you could purchase bare land on the instalment plan, pay only the interest while the orchard was growing, then pay off all that you owed with two crops.

It had been done and was being done all around. And in that year of 1887 dried prunes sold right here for 10c a pound in the bins ungraded.

But in 1900 graded prunes were down to a two-cent base. Campbell Fruit Growers' Union sold dried peaches for pig feed. And full bearing orchards went begging at an offered sale price of little more than victims had bargained to pay for bare land.

Depression continued in our fruit industry for 14 years, or until the start of World War I.

Then the fruit business boomed again. Land values shot up. Real estate men made fortunes. Orchardists who had managed to hang on were on easy street, bought new cars and even summer houses at the seaside. Some speculated in buying orchards on a large scale.

But after the war the fruit business hit another depression. One man I knew lost in declined land prices $90,000. Just before the start of World War II it was being said that 90 per cent of the farms in this valley were mortgaged and that 75 per cent of them were being protected against foreclosure by a special government act.

With the start of World War II the fruit business and orchard land boomed again. After the war stopped another depression was expected but it did not happen, not in the old way. Instead we of this region have had a boom in subdivisions. At first we thought this boom fantastic, but it has grown more fantastic right along.

Campbell elementary school has grown from one site to 10, or is it a dozen? High schools are expected to become so plentiful that nearly all students can attend without aid of buses. These schools provide certain evidence of population growth.

So here is our continued boom, with its fantastic population growth and high payments for land.

If history repeats itself this boom will not continue forever. But while it does continue it has its own problems.

Rapid social change naturally results in either chaos or dictatorship. To avoid chaos we have more and more dictatorship. We have become familiar with the term "zoning," which is a part of our dictatorship. Our Planning Commission, of course, is a body of dictators. Our City Council is ditto.

No use to complain. Our dictatorship is a natural and logical growing pain. I use the term "dictatorship" to emphasize the fact that it really is a pain. The word is all the more painful because we associate it with Russia.

By the way, it was a great Russian scientist, Pavlov who pointed out that a first principle of science is gradualness. A boom is obviously not a form of gradualness. Herbert Hoover, famed for common sense, said that a way to avoid depressions is to avoid booms.

In California we have been in control of neither science nor common sense. So just now we have this amazing boom. Its growing pains include noise, dust, neighborhood conflict, and dictatorship.

Councilman Fairchild wrote, "It is a sad commentary that so many of the endeavors to make life better for the majority turn out to be costly, or inconvenient, for some."

Fortunately there is another side to that. My favorite philosopher writes, "Every path to joy is through pain received with consent." In some previous columns I have been trying to show how to receive necessary pain with consent.

This doctrine is no pink pill for pale people, but in the long run it pays off.

OUT on the LIMB

with

George Vierhus

As we have mentioned before, we are a great one for jotting down notes which may or may not find their eventual way into this column in a some what expanded manner, provided, of course, we can decipher the notes after they once get cold.

Because the notes have a tendency to accumulate we try to use 'em before too much time has elapsed. If we wait too long, some of the priceless gems defy translation.

This week we will make a valiant effort to catch up on our notes. Some of the notes are pretty sketchy but here goes:

—o—

NUB'S GLASSES:

This undoubtedly refers to the time a few weeks ago when Nubs Schoenberger practically had to feel his way around his Shell Service Station because he was wearing his second pair of glasses.

His first pair had been wrecked while he was participating in a brisk tether-ball game with his young son.

We sorta thought Nub's experience should act as a warning to others who participate in these vigorous competitive sports.

—o—

MARIO'S GOLF TREK:

This refers to the recent three-week vacation trip of Mr. and Mrs. Mario Saia, of the meat department of Double AA Market. The vacation, we understand, was basically to mark the couple's 25th wedding anniversary. They had no definite plans but to head north with Lake Louise and Banff as their final destination.

Mario reported to us that the two of them played 12 different golf courses on their way north in California, Oregon, Washington and Canada. They didn't play any on their way back.

We thought it was an ideal way to travel with no worries about deadlines or time schedules. Hence our note.

Incidentally Mario learned, after his return, that the day they pulled out of Lake Louise, Mr. and Mrs. Dobbie Jeffers, another Campbell couple pulled in. But the two couples didn't see each other.

—o—

JOE'S CARDS:

This needs considerable explaining. Joe Anello, our ad manager and his family are vacationing in Montana. They doubled their vacation time this year because they skipped last year. Thus they were able to make a leisurely trip.

Apparently taking the jaunt in easy stages has given Joe an opportunity to choose appropriate (and we use the term loosely) cards on which to send reports back to those of us on The Press who are slaving away in his absence.

His first report came from Reno. He sent a newspaper to which was attached a coupon good for a free drink at some night club. He supplemented the newspaper with a picture postcard.

Another of his cards pictured a Chick Sale with an apropos squib relating to the fact that TV will never replace newspapers.

—o—

BACKING UP:

This is a little indefinite but we are pretty sure it refers to a recent embarrassing moment for us which occurred while we were backing out of Dick Van Rossem's driveway on Casey Road.

We saw that the traffic was clear on Casey Road and then proceeded to back smack-nab into a party who was backing out of the opposite driveway.

Fortunately neither car was hurt but both the driver of the other car and ourself were shaken up in an embarrassed sort of way.

—o—

ARTIST OBACK:

This has to do with watercolor painter who last week depicted part of the down town business district on canvas. He brought the finished product to show us. We had stopped and chatted with him while he was doing his sketching. The artist turned out to be Eric Oback, assistant professor of art at San Jose State, who during the summer months is painting different street scenes around the county.

The completed jobs are put on sale in an artists's shop in Los Gatos.

Oback told us that, faced with the same problem that all teachers seem to have in the summer time, to wit, how to stretch the budget, he decided to try his hand at painting these scenes instead of trying to find employment in a field in which he was not familiar. He may be right at that. We sorta liked the picture ourself.

He seemed to think there was a market for them.

—o—

WINDOW-BREAKER BURR:

Last week Officer Don Burr of the Campbell police department, did an impromptu and unscheduled soft-shoe shuffle in the police headquarters. The unrehearsed "rock 'n roll" act came to a real slam-bang ending when Don's elbow went through a glass window in the office.

Just as Don started to go over to the counter to wait on a customer, he stepped on a flashlight that was on the floor. The young cop then did his roll which ended with a flourish when his arm went through the pane of glass.

It was reported that both the woman at the counter and Vickie Thompson, the police clerk, thoroughly enjoyed the act.

The embarrassed officer, however, refused to do any encores.

End of Notes.

Aged Aid Rolls Drop in County

In Santa Clara County, 148 out of every 1,000 people aged 65 and over were on the aged aid rolls for February, 1957, compared with 162 for February 1956, and 178 for February, 1955, California Taxpayers' association has reported in its semiannual study of trends in relief case loads in California counties.

Aged aid rolls in the county for February, 1957, showed 6,426 people, compared with 6,477 for February, 1956, and 6,440 for February, 1955.

Direct payments of aid to the aged in the county totalled $484,561 for February, 1957, compared with $470,940 for February, 1956, and $439,541 for February, 1955.

State-wide, there were 220 people on the aged aid rolls out of every 1,000 persons aged 65 and over in the state for February, 1957, a drop from the 235 per 1,000 for February, 1956, and from the 249.5 per 1,000 for February, 1955.

Fair Preparation Pace Speeds up

Preparations for the 13th annual Santa Clara County Fair to be held September 9 through 15, are proceeding rapidly, according to A. L. Christopher, president of the Santa Clara County Fair Association.

Gardeners and custodians are busy at work. The empty concession stands will soon be bustling and exhibition buildings once more will be filled with samples of Santa Clara County's agricultural, industrial, commercial and cultural wealth.

Fairgoers will notice many changes at the fairgrounds this year as they adventure through the 199 acres of expert landscaping and modern buildings. Most startling will be the new $99,972 grandstand roof just completed.

LETTERS TO THE EDITOR

DENIES SQUABBLE

Editor's Note: Campbell Fire Department rolled on a fire call to 709 E. Hamilton last Wednesday. The house was in county territory, although part of the property is in the city. The County Fire Department was notified after the locals had answered the call.

A reporter on a San Jose daily reported that County Battalion Chief James Ackley had expressed bitterness at the fact that the Campbell department did not notify the county immediately after receiving the call and that a squabble was brewing between the county and city departments. In the following letter Campbell Fire Chief denies any "squabble" and explains exactly what happened:

Editor, The Press
Sir:

The San Jose newspaper report of the fire at 709 E. Hamilton clearly shows the intent of an inexperienced reporter intending to create a hassle between two departments.

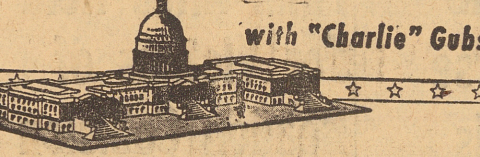
There was no confusion, no squabble or no conversation between department members or Chiefs, the news story was merely one man's and a reporters idea.

Without communications the Campbell fire department was unable to notify County fire district until a radio was available. Over 90% of calls in the Campbell area are relayed to County communications by our men. Since the inception of County Central fire district, but two requests have been made for aid in Campbell.

In borderline cases we will hold and fight fires without delay; a life might be saved. As we are mostly a volunteer fire department we do not hunt for fires or work to do, but the boys answer any and all calls to the station when the air horn signal is given.

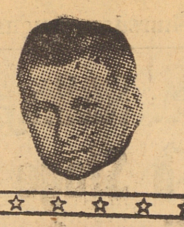
In this particular case even after the address was given, it became necessary to dispatch a sheriff's car to direct County firemen to the location. In any event no intent or attempt was made to absorb any other department's **glory** to fight fire, as it is all **dirty hot** work and we do not do it because we like it.

J. B. SCOTT
Campbell Fire Chief



ON CAPITOL HILL

with "Charlie" Gubser



REPRESENTATIVE IN CONGRESS
TENTH DISTRICT, CALIFORNIA

The most effectively lobbied issue in this and past Congresses has been the question of postal pay. Well paid Washington lobbyists have stimulated mountains of mail to each Congressman and by conservative estimates it costs the taxpayer at least $3000 in staff time for each office to answer it. This is not to say that mail to Congressmen is wrong. Quite the opposite is true. But it does raise serious doubts about whether the system of arriving at postal pay does justice to our hard working postal employees.

What do postal employes get today? Your letter carrier with six years experience gets $4410 per year (before taxes) which amounts to a salary of $2.12 per hour. In addition he gets up to $100 per year for the purchase of uniforms and is allowed to purchase $5000 in life insurance for $31.25 per year. After thirty years he can retire (if he is 62) at $206.72 per month provided he has contributed 6½% of his salary to the fund. While on duty he gets a month's vacation (26 working days) and 13 days sick leave per year. The entrance salary for a first year man is $3660 per year or $1.76 per hour and 13 days vacation.

There is no doubt that the above salary is considered good in the hills of Tennessee or the rural hamlets of Mississippi but is it adequate in Chicago or Los Angeles or San Jose? The truth of the matter is that even if the 26c per hour raise overwhelmingly passed by the House becomes law the wife of the San Jose carrier will probably have to work to feed and clothe the kids, make the house payments and keep the family flivver running.

Twenty years ago employment in a California Post Office was a good job. Today, because of a ridiculous system of setting pay, it has not kept pace with the cost of living and employee turnover in California is startling. This would not have happened if salaries were allowed to automatically rise with the cost of living in each area. Furthermore, the fellow in Tennessee would be receiving the same amount in purchasing power as his California colleague. As it is now he is paid much more.

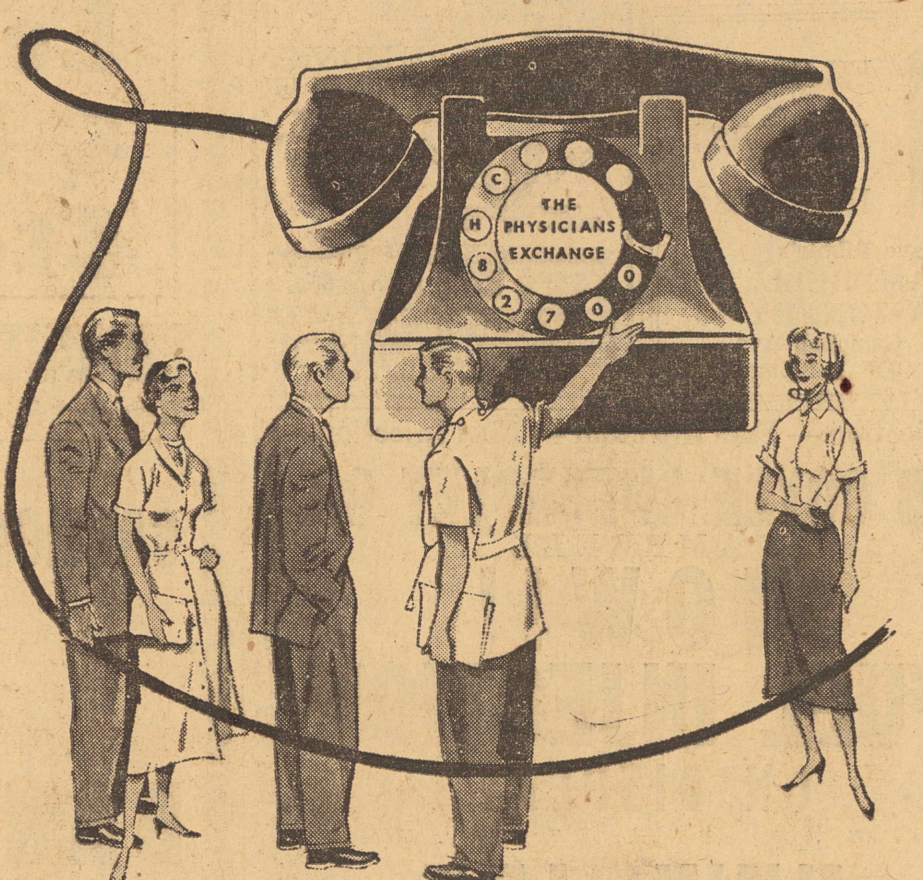
When th epay bill was before the House, Representative Katherine St. George and I tried unsuccessfully to settle the pay problem for all time by allowing automatic increases in high cost of living areas. We were defeated because the Union Representatives had successfully lobbied against us. These lobbyists are well-paid from your carriers' meagre wages and some of them get as high as $30,000 per year in salaries and expenses.

I strongly suspect that they fear a permanent solution to the perennial pay problem might make their own jobs unnecessary. (I can never forget the lobbyist in the State Legislature who worked 12 years for a certain bill. When it finally passed he opined, "This is a sad day for me. Now I have to look for a new account.")

California postal employees in private conversations have told me that they favor the area pay principle but they cannot convince their national leaders and lobbyists. Why don't they change leadership by a free and open vote? For the simple reason that their leaders have enough proxies in their pockets before a convention that it is useless to oppose them!

Now---this telephone gets a new number

CHerry 8-2700



Now, in a medical emergency—call CHerry 8-2700

For 27 years, physicians of San Jose and surrounding cities have provided their patients with 24-hour emergency telephone service through the Physicians Exchange. Effective immediately, the Exchange has a new number—CHerry 8-2700. For quick reference, please write this number in the front of your telephone directory.

When you need a doctor under ordinary circumstances, call his regular office telephone. If there is no answer—or if you do not have a regular physician — dial the round-the-clock number shown above for help. The Medical Society's Physicians Exchange can reach your doctor—or an alternate —in record time to serve you.

Little League All Stars Win; Play in Hayward Tourney Tonight

Raymond, Russell Pace Local Team to Victory

The Campbell Little League All-Stars stretched their tournament winning streak to four straight recently with a sparkling, come-from-behind, 4-2, victory over the Menlo-Atherton Club in the championship final of the District Little League tourney in Santa Clara. The locals play in Hayward today at 6 p.m. in the sectional playoffs meeting the District 2 champions from Santa Cruz.

The sectional tournament concludes Saturday with the winner of the Campbell-Santa Cruz game meeting the victor of the second game for the championship and a trip to Santa Monica for the State playoffs.

Lonnie Raymond played the hero against Menlo-Atherton though the entire club played fine defensive ball committing but one miscue. Raymond relieved starter Don LeFlore in the second inning after the losers had tallied once, and held the Menlo club to one run the rest of the game.

Campbell, trailing, 2-0, scored one run in the bottom of the third when Raymond grounded out with the bases loaded. In the last of the fifth the locals started their game-winning rally as Larry Elizondo led off with a walk. Dave Parker was safe on a fielder's choice, forcing Elizondo at second. Larry Peters lined a double over the left fielders head and Parker scored the tying run as the outfielder made a wild throw.

Raymond then blasted the ball over the right field fence for the winning margin. It was Raymond's third round tripper in tournament action.

In the semi-finals at Santa Clara, John Russell pitched a fine three hitter for his second playoff win as the Campbell team won, 10-2. Russell has come through splendidly for the locals and probably will start tonight against Santa Cruz.

Raymond sewed the game up in the first inning, lining a homer out of the park with two mates aboard. Catcher Darrell Dearborn also homered for the winners.

This weekend's action at the Hayward Little League Park on "B" street is the final before the State playoffs begin in Santa Monica next week. After the Santa Monica tournament, winning teams will return to San Francisco for the Western States championship and a possible trip to the Little League World Series at Williamsport, Pennsylvania.

Front row, from l to r, Dave Thompson (R), Dave Parker (WG), Gary Rueter (WG), Larry Elizondo (R), Dan Perry (CL), Larry Peters (CS) and Barry Yoshida (CS).

In the above picture at the right, the Campbell team rejoices after defeating Cambrian club in the Area Championship game. In the picture on the left are Van Rossem, Russell, Rueter and Thompson shown in their dugout during the game which the locals won, 13-1.

Campbell Farm League All-Stars Beat Cambrian All-Star Team, 19-5

The Campbell All-Star Farm team defeated the Cambrian club, 9-5, Monday in the two league's all-star game.

Steve Hannah, John Hardisty and Al Code each pitched two innings for the winners, giving up five hits and striking out 11.

Mike Spitzer led the winners with a triple, double, and a single. Jerry Noonkester got a double and triple, Junior Rodriguez a single and triple, and Ronnie Ray and Ronnie Cook, two singles each.

In the playoffs for the Campbell Farm League championship, first half champs Strong's Paint Co. defeated second half winners, Bishop Hawaiians, 13-8. Dave Adams and Al Code pitched the win. Fred Kelly and Jerry Noonkester led Strong's with two singles each.

Strong's will play the top team in the Cambrian Farm League this week in a three game series for the Farm championship.

Abundavita Holds Lead as Bowman Hurls Shutout Win

Two games were played in the Cambrian Little League Saturday with first place Abundavita shutting out Mac's Market, 5-0, on Dean Bowman's two hitter, and Moore Buick edging by Fran's Bootery, 3-2.

Abundavita continues to set the pace in the league with four wins and one loss. Moore's win coupled with Mac's defeat left the two teams tied for second with two wins and two losses each while Fran's is in last with one win and four losses.

FIRST GAME

	R	H	E
Abundavita	5	5	1
Mac's Market	0	2	1

Dean Bowman pitched his sixth win of the year and second shutout in blanking the Marketmen on two hits. Bowman also hit his third homer in the fifth inning as did Richard Ucci. Ucci leads the league in home runs with five. Saturday, he scored twice and drove across two runs.

SECOND GAME

	R	H	E
Moore Buick	3	3	2
Fran's Bootery	2	4	2

Babe Ruthers Play For Championship

Cambrian Park's Dave Hill hurled a maserful one-hitter Saturday beating the Burbank Lions, 11-1, and placing his team a half game behind the league-leading West Valley nine in the Campbell-Los Gatos Babe Ruth League.

West Valley and Cambrian Park tangle this week for the second half championship. Cambrian Park won first half honors.

West Valley beat Burbank Lions, 3-2, on Clark Ransome's three hitter and lost to the hard-hitting Avila's club, 17-10 in other games.

West Valley manager Ray Gamble will throw his ace Ransome against the Cambrian Park club for the championship this week with the opposing team expected to counter with John Ezzie.

This will be the final week of play for the Babe Ruth teams.

SATURDAY'S GAMES

WEDNESDAY

	R	H	E
West Valley	3	3	0
Burbank Lions	2	3	1

Ransome and Leonard; Segretto and Stewart.

Dave Bachman bested Dean Flory in a close contest allowing four hits. Flory gave up only three hits but one was a decisive two-run double to Dave Coleman in the second inning. Flory drove across one of his team's runs with a single in the fifth.

STRONG'S PAINTS WIN FIRST SERIES GAME

Strong's Paints, champions of the Campbell Farm League defeated Cambrian Kiwanis of the Cambrian Farm League, 11 to 0 on Wednesday at the Steindorf School in the first game of three-game series for the inter-league crown.

Dave Adams got credit for the win, although relieved by Al Code. Campbell made 11 runs on four hits. The two teams play their second game Friday at 6 p.m. at the Campbell Little League field at the Rosemary School.

Farm Teams Play To Decide Champ

Cambrian Park Kiwanis won the second half of the Cambrian Farm League beating Bill's Texaco, 17-5. The second half champs play first half winner Cambrian Park Realty this week for the league championship. The winner will play the Campbell Farm League champs in a three game series this weekend.

Billy Herbert paced the Kiwanis team to its win as he drove in six runs on four hits and scored four times.

In other games, the Men's Club beat Campbell Music, 10-7, with Don Perry pitching a two hitter and hitting two doubles. Cambrian Park Realty won over Austin-Garrison, 15-3, on another two hitter by Ronny Kline. Joe Spina drove in four runs for the winners with a double and single.

Ned Weiberg of the Realty club continues to pace the hitters leading in batting (.555), runs (23), hits (20) and RBIs (27). Don Perry of the Men's Club is the leading hurler with a 3-1 record.

Two Teams Tied For Top Spot

Towne Pride and Sisemore Construction continued their winning ways with victories in the Campbell Softball League last week. Towne Pride edged Mac's Market, 4-2, and Sisemore beat Western Gravel, 9-1.

In other action, Healey Motors beat St. Johns, 3-2, in a tight contest.

	R	H	E
Towne Pride	4	6	1
Mac's Market	2	6	2

Jess Smith of Towne Pride and Don Kleist of the losers each pitched a six hitter with L. C. Nunez hitting two doubles for the win. Bib Silvas homered for Towne Pride in the third inning while Marv Howl led Mac's with two hits.

	R	H	E
Sisemore Const.	9	8	1
Western Gravel	1	2	4

Frank Calabray pitched the win allowing but two hits. Harry Forbes led Sisemore with two singles good for three runs. Calabray and Dick Sisemore each had two RBIs. Jerry Barclay and Kyle Baugh got the two hits for Western Gravel and Hoyt Logan took the loss.

	R	H	E
Healey Motors	3	2	1
St. Johns	2	6	4

Two costly errors by St. Johns in the first inning led to two runs for Healeys. The winning tally came in the sixth on a walk, error and a single by Earl Buffi. Jim Raulo was the winning pitcher and Mike Olivarri the loser. Frank Jelincick got two hits for St. Johns. Al Pinard drove in both runs for the losers in the third inning with a single.

LOW DOWN ON SPORTS

By Marvin Moore

Hard Tops

Jerry Reed wins in hectic main event.

Paul Barsotti of Menlo Park set another new qualifying mark breaking his old one. The new mark to shoot at is 17:69 for one lap. As for the locals Larry Rodriques of Campbell had engine trouble for the third week in a row and wasn't able to roll but he will be ready for the 200 Johnny Key race next week. Uncle Dudley of Cambrian Park won the semi main event and placed third in the main. Don Black of Campbell placed second in a heat race.

Fastest Qualifier, Paul Barsotti, 17:69

Car no. Time
6 1st Heat, 400 D. Foster 1:56:97
6 2nd Heat 120 Ray Daray yellow flag
6 3rd heat 300 Dick Overstreet 1:52:86
6 4th heat, 63 Paul Barsotti 1:5:37
B Trophy Dash, 6, Dave Reed 55:72
8 Final heat, 9, Larry Silva 2:31:69
6 'C' Race, 4, Ray Traylor 1:58:46
12 'B' Race, 17, Uncle Dudley 3:55:96
20 'A' Race, 85, Jerry Reed yellow flag

Alviso

Dean Holden one man show at Alviso won the fastest qualifier, final heat on main event.

One accident Saturday night caused 17 cars to pile up.

1st heat—Ed Decker
2nd heat—Jack Meyers
3rd heat—Ernie Sofley
4th heat—Paul Orr
Trophy Dash—Paul Orr
Final heat—Holden
Semi-main—Ray Mescovich
Australian Pursuit—Rogge
Main—Holden

S. J. JoSox

I attended the San Jose JoSox game last Thursday and saw a good pitchers duel where Bakersfield won 1-0. I sat with Earl Russell, the Josox announcer who told me that the attendance to date was 25,000, 6,000 better than last year.

Renna Blasts One

Bill Renna of the S. F. Seals hit a home run 550 feet over the clock in left center field of Seals Stadium Saturday. Bill is a former Santa Clara football player.

This week I thought I would change and give you some information on some local players.

Angel Figueroa

2nd Base, San Jose Josox

Starting out slowly this spring, Figueroa has really come into his own the last six weeks. He has brought his batting average up from .258 to over .300 as of Sunday, July 21, by getting at least two hits in seven of the last nine games. His quick running start and speed afoot accounts for the thirty-six stolen bases, which beats old San Jose Josox record formerly held by Stan Roseboro of the '52 team.

A hustler from the word go, Angel teams up with that old reliable, Jim Dougherty, for an excellent double play combination around the keystone sack. Angel comes from Los Angeles, had part of a season at Dublin, Ga. He still counts as a rookie, 23 years old.

Billy Dial

Pitcher, San Jose Josox

Billy Dial, ace of the Josox pitching staff, set a new C.B.L. record with four straight shutouts, a streak broken by Visalia Sunday, July 21. In losing his shut out, the confident southpaw collected his 18th win against two losses. His ERA is now 1.83. In his last win he trounced Pete Hernandez of Visalia, his closest competitor for league pitching. His remarkable record has made him the favorite of crowds. His home is in Santa Ana, Calif. He is 20 years old. Rumors are out that the Pittsburgh Pirates may call him up before the season is over.

Steve Skold Sets National Record

Steve Skold established a new national record in the 100-meter freestyle event for 15-16 year olds at the Livermore Aquarodeo recently swimming the distance in 57.9. This bettered the old record, also held by Skold, by 1.6 seconds. In the 1952 Olympics, this event was won in 57.4.

Skold also captured the 100-meter butterfly event in 1:04.2 trimming the old record by 2.2 seconds. The Campbell swimmer had tough luck in the finals of the 200-meter freestyle drawing an outside line. He finished second to Gary Heinrich by half a body length. His time of 2:12.3 betters the 15-16 year old national record of 2:13.4 and the PA Men's record of 2:17.5, however, neither mark will be accepted since Skold was swimming in a men's event and Heinrich finished in 2:11.6 for the new record.

Steve's sister, Roz, finished second in the 15-16 year old backstroke to Jane Wilson of Santa Clara. Roz also took fourth in 15-16 year old 100-meters freestyle and fifth in the women's 200-meter backstroke.

A relay team composed of Skold, Faulkner, Hyde and Andre broke their record established last year by two full seconds but lost the event to a team from the Berkeley Swim Club.

The late John McLaren was superintendent of San Francisco's Golden Gate Park for 56 years.

Rotary Hears History of Sound

"Evolution of Sound" was the topic discussed by Miss Sidney Hadine of the Pacific Telephone and Telegraph Company at Monday's meeting of the Rotary Club. Miss Hadine traced the history of sound and recording instruments which included the telephone, phonograph and radio. Of particular interest was a stereophonic "tour" in which she played realistic recordings of sounds such as planes and trains.

George Miskulin was chairman for the day.

Last week's baseball game between Rotarians and the local Kiwanis resulted with the Rotarians beating the Kiwanis 8 to 4. Neal Royer, president, pitched for Rotary. Merv Willoughby hit a homer and Ed Tonini got 4 hits for 4 times at bat. Umpire was Randy Willoughby.

Fishing season is open the year around for all varieties of fish in Shasta Lake.

Local Teen-agers Have Roles in Los Gatos Play

Four Campbell teen-agers have important roles in a new three-act play currently being rehearsed by the Los Gatos Youth Center. The amateur actors are Dean Faulkner, Judy Crough, Charles Schulkins, and Carol Schulkins.

The play "Summer Rash", will be staged in the University Avenue School auditorium, Los Gatos, Thursday and Friday, August 8 and 9, at 8:15 p.m.

The plot revolves around a 17-year-old boy who attempts to organize an amateur act without using up his $2-a-week allowance for life. Efforts of his life-long playmate, a girl, to help write the play are scorned and her subsequent antics make for an amusing plot. The boy's troubles are further increased by a scenery eating goat and a hen that lays eggs in the wrong places.

The youth center's "Junior Players" was organized a year ago and since that time has put on eight one-act plays and two variety shows with great success. Their talents are available for entertainnment of clubs and organizations.

PUBLIC INVITED TO FILM SHOWING

First Church of Christ, Scientist, Campbell, will present a free showing of the film, "The Earth Shall Be Filled," next Thursday, August 8, at 8 p.m. in the Country Woman's Clubhouse, First Street and E. Campbell Ave. The public is invited.

The film includes three of the films used in the television series, "How Christian Science Heals," a release by the mother church, The First Church of Christ, Scientist, Boston, Massachusetts.

WED IN STANFORD RITES . . . Newlywed Mr. and Mrs. Robert J. Brown share the first cut of their elaborate flower-decked cake at a garden reception following their marriage June 23 at Stanford. The bride is the former Patricia Petralia.

Robert J. Browns Now at Home In Menlo Park After Stanford Rites

Now at home nn Menlo Park after a honeymoon trip to Lake Tahoe are Mr. and Mrs. Robert J. Brown who recited their marriage vows in Stanford (University) Memorial Church June 23. The 1 p.m. rites were read by the Rev. Charles Cox assisted by the Reverend Minto.

The bride is the former Patricia Petralia, daughter of Mr. and Mrs. Sam Petrilia, 471 Budd Ave., and sister of Arlene and Anthony Petralia. She graduated from Campbell High School and attended the University of California and San Jose State College. At present she is employed at Stanford Research Institute, Menlo Park.

Robert is the son of Mr. and Mrs. Stanley J. Brown, 471 Pine Lane, Los Altos, and brother of Richard R. Brown. He is now attending Stanford University where he is an electrical engineering major. He is a life member of the California Scholarship Federation.

For her wedding, Patricia selected a full-length, long-sleeved princess gown of peau-de-soie and lace featuring a bustle bow and chapel train. Criss-crossed pleated tulle accented the low-cut bodice neckline. Her fingertip veil of tulle was caught to a crown of seed pearls and rhinestones and she carried a white Bible marked with white carnation, stephanotis, and lily-of-the valley when given in marriage by her father.

Matron of honor was Mrs. Connie Dunn of Santa Clara who wore a princess gown of gold crystalline and carried a cascade bouquet of white carnations with turquoise ribbons.

Bridesmaids, wearing identical gowns of turquoise crystalline, were Arlene Petralia, sister of the bride, Nancy Richards of San Jose, and Joyce Ciardello of Sacramento, a cousin. All carried cascade bouquets of white carnations with gold ribbons.

Flower girl was Christine Silva of Campbell who wore a gold and white princess crystalline and carried a basket of white carnations tied with turquoise ribbons.

Mrs. Petralia chose navy blue lace over taffeta with pink accessories for her daughter's wedding and a corsage of pink carnations. Mother of the groom, Mrs. Stanley Brown, wore pale orchid lace over taffeta with white accessories and a white orchid.

Duties of best man were performed by Richard Brown, brother of the groom. Ushers were Eric Isacson, Glenn Dunn, and William Zeller.

Vocalist was Miss Bonnie Daley of Santa Clara who sang "The Lord's Prayer" and Grieg's "I Love Thee."

Following the ceremony, the newlyweds received felicitations from one hundred guests at a garden reception held at the home of Mr. and Mrs. James Pistorio, 633 Chauncey Way, San Jose, great-aunt and uncle of the bride.

For the occasion, the garden was hung with Japanese lanterns and a Hawaiian band furnished background music. The tiered wedding cake, centering the serving table decorated with white gardenias and tapers, was topped with a miniature bride and groom mounted on a revolving music box which played the wedding march.

Out of town relatives of the bride who flew here to attend the wedding were her grandmother, Mrs. Minnie Petralia, and aunt, Mrs. Agnes Tomaselli, both of Lawrence, Massachusetts.

Young Couple Wed in Carson City Ceremony

A reception at the home of the bride's parents followed the double-ring marriage ceremony of Beverly Jean Ford and John Ransome Davids in Carson City, Nevada, Sunday, June 9. The young couple cut their large wedding cake in the flower-decked home and received felicitations of over 75 guests. They are now at home in San Jose.

The bride is the daughter of Mr. and Mrs. Ernest Ford, 555 Apricot Way. She is a graduate of Campbell High School and attended Park Beauty College.

John is the son of Mr. and Mrs. Thomas E. Davids, 1336 Iris Court, San Jose. He attended Willow Glen schools and has completed service with the U. S. Navy. At the present time he is employed by Blackie and Wood, civil engineers.

For the ceremony, Beverley wore a full circle black felt skirt and a white nylon blouse with flowers pinned at the neckline.

Friends attending the couple at the ceremony were Roland Bayer and Jim Perkins.

On 12-Day Tour of Europe

Kathleen Bull Writes About Her Impression of European Countries

Editor's note: Miss Kathleen Bull, dean of girls at Campbell High School, is vacationing abroad this summer and has kindly consented to act as "foreign correspondent" for the Campbell Press. The following letter is her second; her first was from England where she visited relatives—V. F.

By Kathleen Bull

MISS KATHLEEN BULL
. . . Vacationing abroad

One must remember, when visiting in England, that this is "old country" and it is not uncommon for people to be living in homes which are well over a hundred years old. My aunt's home is about 50 years old and might be considered "young". The streets are very narrow so it is a good thing most of their cars are of the small type.

By the way, one of the biggest changes since I was here over 20 years ago is the number of cars now trying to navigate these narrow streets. Oh yes, they all come at you from the "wrong" side of the street and I am always moving into their way instead of getting out of their way.

—o—

I am now writing from Offenburg, Germany, which is the sixth night's stop on a 12-day tour of the continent I am taking.

In my last letter I told you about a couple of side trips in England, and to keep in order I should first cover the trip to Canterbury, but because this tour is fresh in my mind I shall come back to my notes on Canterbury later.

We joined a tour group at Dover July 15 and traveled across to Ostend, Belgium, in one of the channel boats. Ostend is more of a tourist area but it was our first taste of being in a country where people dress just as we do but speak another tongue.

We went on to Brussels, the capitol of Belgium. The first thing you notice in Brussels is that it's like almost any good size city in the U. S. The people were well-dressed and things looked prosperous indeed. About the only quaint thing here was making of lace by women in a sort of factory. (They are noted for their lace work.) Roads are good and buildings are quite modern. The people of Brussels are now preparing for the World Fair next year.

From Belgium we went to Amsterdam, Holland. Holland is a very pretty country and I felt the urge to get out and bicycle along just as most of the people there do. Everybody rides a bicycle and, seemingly, they are never too old to ride one!

First of all, you see very few Dutchmen dressed in native costume. (There is one island where they do, but it is mostly for tourists.) One "good idea" there was that mail boxes can be found at the back of most street cars and when the street cars go by the post office conductors empty the boxes. Fast service, eh, what!

We didn't see many wind mills in Holland but there are a few. The people there were very friendly and most of them understand English, at least enough to get by.

From Holland we came to Germany and the difference in the people was immediately apparent. There were two people on our coach with British passports issued in Jamaica and the border police were quite suspicious of them and, consequently, our whole coach. Anyway, they let us continue and we made a stop at noon at Cologne, famous for cologne, leather, china and cameras. Oh, if I only had a couple hundred dollars to spare!

Our tour took us along the great river Rhine which was very picturesque with river barges, vineyards up the hillsides, and old castles perched on hilltops.

Of all the cities we went through in Germany, Moinz still has the worst scars of the war. It is in a strategic position on the Rhine and suffered severe damage from bombing.

Tonight we are in a small town called Offenburg and here the people still make good use of the ox and cart. Farming is extensive, and farmers never leave even a small piece of ground uncultivated.

The people seem quite a bit more affable, not so suspicious. We are near the French border now and I think that makes a difference. Just to show you what I mean, even the hotels here want to check your passport!

WOMAN MINISTER

The Rev. Kay Taylor, director of Christian Education of the Campbell Congregational Church, received the distinction on Monday of being the first woman minister to open the Campbell City Council meeting with prayer.

Social Chatter

Gloria Saia, daughter of Mr. and Mrs. Mario Saia, 550 Cambrian Drive, is among the 4,500 students attending the six-week summer session at the University of Hawaii. She is enrolled in two education courses at the university which is situated two miles from Waikiki beach.

A round of parties, entertainments, lectures, and tours to temples, museums, a sugar mill, pineapple canneries, and other points of interest have been planned for the students by the personnel office. In addition there are sailboat parties, ti leaf sliding, coffee hours, receptions, dances, Hawaiian Night, and an inter-cultural program.

—o—

Marion Detrick of Campbell will be one of the twenty-one student nurses to be graduated Wednesday evening, August 7 in traditional ceremonies at Mount Zion Hospital School of Nursing, San Francisco. The ceremonies will be held in the auditorium of the Nurses' Residence, 2345 Sutter Street, at 8:30 p.m.

—o—

Mrs. John Shay of 74 S. Second Street was honoree at a stork shower given Friday, July 26 by her sister, Mrs. Perry Hull of 1147 Fewtrell Drive. Table centerpiece was a large pink and white cake inscribed "Welcome Little Stranger."

Other guests present were Mesdames Mary Branch, Patsy Adams, Alice Jenson, Ty Cowan, Dorothy Cook, June Locke, Georgia Locke, and Gordon Rooney.

—o—

Mr. and Mrs. Lloyd D. Hendricks of 466 Raymond Ave., are the proud parents of a baby girl born July 15 at San Jose Hospital. The new baby has been named Darla Jean.

—o—

Home again after vacationing in Talent, Oregon, are the Martin H. Farnham's four grandchildren, Paul, Dede, Marty and Stevie. Their mother, Mrs. Ruth Livacich, took them to Oregon on a bus for a ten-day vacation of fishing, picnicking and a wonderful time on grandpa's ranch. Their uncle, Jack Farnham, drove up to bring them home. The Farnhams moved to Oregon from Campbell three years ago and always enjoy having their family and many friends visit them.

GAS AND OIL

People vacationing by automobile spend an average of 19 cents of every dollar for gasoline and oil, reports the California State Automobile Association.

CHURCH ANNOUNCEMENTS
Seventh-day Adventist Church
Vacation Bible School

Sabbath school department of the Campbell Seventh-day Adventist Church, Fourth and Rincon, will conduct a community Vacation Bible School beginning Monday, August 5, according to Dr. J. S. Kootsey, general superintendent, and Pastor Andrew Dahl. Registration begins at 8:30 a.m. Monday at the church.

The school will be in session Monday through Friday from 9 a.m. to 12 noon until Thursday, August 15. All children in the community between 4 and 14 are invited to attend. There will be no charge for instruction or materials and the program will consist of songs, games, crafts, Bible and true life stories.

Mrs. Charles Hildenbrand is director of the school; and will be in charge of the Primary division. The Junior division will be under the direction of Mrs. J. S. Kootsey. Mrs. Rhodes and Mrs. W. Regester will head the Kindergarten division.

—o—

Prince of Peace
Lutheran Church

Sunday school hour for the Prince of Peace Lutheran Church begins at 9:15 a.m. this Sunday, August 4, and will feature a film showing for the entire group. Holy Communion will be administered at the 10:30 a.m. worship service and Pastor Welchert will preach on Mark 8:1-9, the theme being, 'How Many Loaves Have You?'

A congregational picnic is planned for Sunday afternoon at Blackberry farm, beginning at 1:30 p.m. with a potluck dinner.

Monday, August 5, the Sunday School staff will meet in the Jerome Close home at 8 p.m. Tuesday, August 6, there will be a joint meeting of the Intermediate and Senior Luther Leagues at 7:30 p.m. in the Gordon Sibbald home.

Daily Vacation Church School will be conducted from August 10 through 30, from 9 to 11:30 a.m. Those desiring to enroll should contact Mrs. Herman Walek, AL 2-2381, as soon as possible.

The staff for DVCS will meet in the parsonage, Wednesday, August 7, at 8 p.m.

Quito Quorner

By Helen Hewitt

Mrs. Jean Nunn, 18725 McCoy, gave a brunch and baby shower last Thursday, July 25, in honor of Mrs. Louise Leonard. Guests attending were Mesdames Doris Tharpe, Virginia Friend, June Bothman, and Nellie McCain.

—o—

Mrs. Marilyn Hickox, who recently moved from the Quito area, was honored at a baby shower, Thursday, July 25, given by Mrs. Ruth Burt, 515 W. Rincon Ave. Table decor included a large cake topped with two blue booties containing baby dolls and flanked with blue candles and two small toy play pens.

Beside the hostess and honoree, guests present were Mesdames Clara Lackey, Dorothy Kolp, Barbara Holland, Diane Dove, John Asteci, Jackie Robbins from Jenner-by-the-Sea, and the Misses Judy Johnson and Betty Asteci.

—o—

Last week we mentioned two Quito mothers with a total of seven children had just returned home from a camping trip at Yosemite and somehow or other managed to give the wrong name for one. It was Mrs. Nellie McCain and four children of Martha Ave. that made the trip with Mrs. Irene Harper and her three children; not Sally McKay.

—o—

John Steele, 13365 McCulloch Ave., had a barbecue and Bop party for 17 friends at his home last week. To add to the festivities the back garden was strung with Japanese lanterns, balloons, and streamers.

Present were John Steele, Ned Smith, Mike Call, Robbin Page, Wendy Hurt, Gil Barnett, Joanne Jones, Mike Patrick, Jan Schriver, Dennis Sebert, Karen Krost, Gary Azevedo, Diane Stantoes, Paul Hewitt, Steven Ferni, Sandy Shoemaker, and Steve Hannah.

—o—

Just returned from a two week vacation are Mr. and Mrs. Robert Foley of 13150 McDole Ave. They visited in Los Angeles with Mrs. Marge Pinkey, Mr. Foley's sister, and then went on to Carlsbad, New Mexico, for a few days to visit Mrs. Foley's son Bill Larrentree, and his family and to see her great-grandson, David White.

—o—

Meryln and Ethel Epperly, 18817 McFarland Ave., are happy over the arrival of their first son born July 21. The new baby has been named Mark Steven. He has two little sisters at home. Daddy works at Quito Food Center.

—o—

Mrs. Ruth Burt celebrated her birthday Sunday, July 28, at a family dinner party at the home of her parents, the O. R. Hewitts of 18808 Martha Ave.

At the dinner were Mr. and Mrs. Don Burt and daughter Debbie, and Mr. and Mrs. O. R. Hewitt and son Paul. Later in the evening Mr. and Mrs. William Dove and Mr. and Mrs. Kenneth Kolp with Kenneth Jr. dropped in for cake and coffee.

Funds for the erection of a broonze monument in San Francisco's Washington Square, commemorating the city's pioneer firemen, were bequeathed by Lillie Hitchcock Coit.

Camp Wastahi And Camp Fire News

Miss Jo, daughter of Mr. and Mrs. M. L. Brusin of Carlyn Ave., Campbell, is song leader at Camp Wastahi. She leads all singing and thoroughly enjoys her job. Miss Jo is also working with Miss Carolyn, Blue Bird unit head, and is Camp Wastahi publicity reporter for the Campbell Press. She graduated from Campbell High in June, is an active member of the Luta Horizon Club and has obtained her Social Leadership, the highest rank in Camp Frie. Miss Jo (Joanne Brusin) will enter San Jose State College in September and major in secondary education.

—o—

Another of the Luta Horizon Club girls working as counselor at Camp Wastahi, is Miss Flo (Florence) daughter of Mr. and Mrs. Charles Edwards of Rincon Ave. Miss Flo works in the tinkership where she helps young campers make such articles as loom mats, lanyards, bracelets, and plaster-of-paris molds. She is a graduate of Campbell High and plans to work next year before attending a beauty school and making a career as beautician.

—o—

What is a KIOSK? A kiosk, as parents of returning campers are beginning to learn, is a sleeping platform with room for 18 sleeping units. The word kiosk means "little shelter". At one end of the platform is a small room, the summer home of two counselors, usually 18-year-old Camp Fire Girls. If they so chose, the counselors sleep in this small room, however, many prefer to sleep under the stars even if a brightly shining moon does keep them awake for a while.

Each group of girls gives its kiosk a temporary name. At the summer's end, one name will be chosen from all the temporary ones to be the permanent name of the kiosk. Blue Birds name their kiosks after birds, Fly-ups select stars, Camp Fire Girls use Indian names, and the Horizon Club shelter still seems to have carried over the name of its unit in the old camp, "Vagabondia."

Office Workshop Ends Program

The sixth and final week of the San Jose State College workshop in "Secretarial Administration and Office Management", will be concluded tonight at a dinner meeting at Hawaiian Gardens. Tom Buckley, IBM executive from San Francisco, will be guest speaker and discuss "Electronic Data Processing in the Modern Office."

General chairman and director of the workshop program has been Kenneth B. Coffin of Winchester Road, Campbell, who is in charge of secretarial and office management instruction in the Division of Business at the college. Professor Coffin said the workshop has been an experiment in co-operation between the college department and professional organizations of the community to work out a solution for an adequate supply of competent office personnel for the county.

Moreland Plans Teen-age Picnic

The Moreland School District Recreation Department will sponsor a "teen-age" picnic for students in grades seven through twelve at Blackberry Farm, Friday, August 2. Free transportation will be provided, Buses will leave the school grounds at 10 a.m.

All students planning to attend the outing are asked to bring their lunches. The day will be given over to swimming and dancing. Admission will be paid by the recreation department.

For further information, call Mrs. Leroy Smith, AX. 6-7851.

Chaperons will be Mrs. Smith, Mr. and Mrs. Robert Straight, Frank Lavoi, Mrs. Isaac Baughman, and Mrs. Marian Pankoski.

Ex-Marine Heads Moreland Scouts

A former marine, William G. Clare of 141 N. Mariana Way, Campbell, has been appointed scoutmaster of Moreland Boy Scout Troop 70. His past experience also includes serving on numerous community projects. He will be assisted by G. T. Wolfram and Ken Harness.

Fall activities of the troop will be discussed by scout parents when they meet Monday, August 5, at the home of the Robert Kazens, 3261 Walton Way. Kazen has been appointed general director of Scout administration to help scoutmasters and committee members more fully understand the duties of Boy Scout leaders.

General committee chairman is Carl Cada. Officers and subcommittee chairmen are: Charles E. Couch, assistant Explorer advisor; Frank R. Maggi, advancement; Paul E. Brown, scribe; Jim Lawler, transportation; Lawrence Carson and Thomas Korbett, quartermasters; Robert Kazen, advancement and committee training; H. E. Steckley, campsites and activities; Allen Smith, institutional representative; George Cook, neighborhood commissioner; and Walter F. Ratzlaff, publicity.

Comedy Opens Circle Theater

Summer Circle Theater, Los Gatos' unique theater-in-the-round, will open Friday, August 9, at the Hotel Lyndon with Harry Kurnitz hilarious comedy, "Reclining Figure."

The play will be the only production of the Summer Circle this year and will play Friday and Saturday nights, August 9 and 10; 16 and 17; 23 and 24; and 30 and 31. Reservations may be made at the hotel Porch Window, El 4-2315.

Two Campbell residents making their debut with the Actors Repertory Company, producers of the Summer Circle, are John Courley, well-known to theater audiences in the county who is playing a principal part; and Sidney Myring who has an important character role.

Modern foghorns are called diaphones because they are composed of two horns, each with its own tone.

Westhills Club Seats Officers

Mrs. Thomas Reasonover was installed president of Westhills Service Club at a luncheon meeting July 17 in Live Oak Inn. The ceremony for the new president and her staff of officers was conducted by Mrs. Thomas Jordan.

Other officers assuming new duties for the year are: Mesdames Thayer Lyons, vice-president; Robert Boltz, recording secretary; William Fuller, corresponding secretary; William Beyer, project chairman; Richard Drew, ways and means; George Miskulin, social; and Reese Parker, publicity.

Mrs. Verle Grizzle, outgoing president was thanked for her work during the year and presented with a gold bracelet, a gift from the club.

Knight To Speak At GOP Meeting

Gov. Goodwin J. Knight will be guest speaker at the Quarterly luncheon meeting of the Northern Division of the California Federation of Republican Women at Burmuda Palms, San Rafael, Thursday, August 1.

Women from the local Republican Women's club planning to attend the meeting are: Mesdames Ralph Hyde, president; H. H. Combs, chairman of New Citizens for the northern district; C. E. De Tracy, F. S. Richards, Tina Taylor, Fred Durr, Gerald M. Estell, and John Nickelson.

The luncheon will be preceded by a business meeting at 10 a. m., and a panel of senators and assemblymen who will report on the just closed session of the state legislature.

Demand For Social Service Increases

The quarterly report of the Catholic Social Service of Santa Clara County, a Red Feather agency, indicates there is a continued increase in demands for the agency's service.

The Rev. Harold J. O'Day, executive director of the agency said that the most pleasing aspect of the work for the second three month period this year was the successful return of 37 children from institutions to their own homes.

Fair Seeks Twins From S.C. County

Good things often come in pairs, at least the Santa Clara County Fair thinks so. Right now the Fair Association is launching a full-scale search for a set of twins to take part in the annual Miss Santa Clara County Fair Queen Contest on August 18.

The twins, a special Fair feature, will add sparkle to Miss Santa Clara County Queen Contest. The winning twins will participate in the Queen Finals to be held on the main grandstand stage of the Fairgrounds on Sunday afternoon, August 18, at 2 o'clock, and in the Coronation Ceremonies on opening night, September 9.

Preliminary interviews and screening of "Fair Twin" applicants will be held in the Administration building of the County Fairgrounds on Saturday, August 3. Eligible twins may apply for interview time by writing: TWINS, Santa Clara County Fairgrounds, 2530 First St., San Jose.

The only requirements for eligibility are that the twins be between the ages of seven and ten, and reside in the Santa Clara County.

The production of lumber in the United States was centered in Maine for more than 200 years.

The Great Seal of the United States was adopted by the Continental Congress on June 20, 1782.

Easy to Do Flower Arrangements

Since Saran Wrap was introduced to consumers several years ago homemakers everywhere have shown imagination in its use. Initially used as a refrigerator food wrap by most, it now has literally hundreds of uses.

One of the most ingenious uses for this transparent plastic household wrap yet suggested is in flower arrangements.

Professional results can be obtained by crumpling as much of the wrap as necessary to hold the flowers in the desired arrangement. This applies to vertical vases. When flowers are added (even a few can be beautifully arranged) they are easily placed and the Saran Wrap will keep them where you want them. This is an ideal way to arrange such flowers as roses, jonquils, gladioli, daisies, tulips and iris. Most flowers you have in your garden will form an artistic arrangement you will be proud to display.

You will now find Saran Wrap in a new box that will facilitate handling. The change in the package has been made both in color and design. The cutter bar is now placed on the bottom of the box which allows at least two inches of the wrap to be readily available at all times. This will help keep the wrap from winding back on itself, reducing the "lost end" problem. The new box is presented in gay new colors, forest green and chartreuse, for easy identification.

'The Merry Widow' Opens In Oakland

Franz Lehar's colorful "The Merry Widow," the most familiar of all the Viennese musicals, is the new attraction opening at Woodminster Amphitheater, Oakland, August 9, at 8:30 p.m. for four performances.

As second offering of the seventh annual Woodminster summer music season, "The Merry Widow" will be repeated August 10, 16, and 17.

Paris in the 1900's is the locale for the story which deals with the gay doings of a Moravian prince who light-heartedly prefers sowing wild oats with the can-can girls of Maxim's to following his duty of marrying the rich widow whose fortune can save his country from ruin.

Woodminster Amphitheater is located in Joaquin Miller Park and is easily reached via super highway. Tickets are available at the theatre at time of performance.

Virginia's Studio of Wallpaper and Color says it's smart to decorate with wallpaper where you can obtain a wide variety of color combinations and ideas. And at a practical cost. Why not drop in today and let Virginia Case help you with your redecorating problems. If you're in the remodeling mood, then get expert advice and satisfaction at Virginia's.

The Verle O. Grizzle's think maybe their baby is a little young for a pen and pencil set or a new watch, but maybe your youngster isn't. Now is the time to give some thought to a nice back to school gift and Verle has a wide selection of pen and pencil sets, watches and other jewelry that would put any youngster in the learning mood. There's also electric shavers for the the fuzzy-cheeked youths who think maybe the time has come to start shaving.

Are you having difficulty in making those back to school clothes selections? Don't make a chore of it when Helen's Juvenile Shop has daily shipments of fall clothing arriving. It will be a fashionable back to school if you shop at Helen's where all sizes are available. Now is the time to use that convenient lay-away plan

Gas keeps going up and it's tough to stretch that budget to make ends meet. American Auto Supply has the remedy in the new Mileage Minder that prevents gas waste and gives better mileage. Why not come in now and see how easy it is to convert those dollars to other necessities by saving on car expenses.

Holmes Hobby Center has received a new shipment of model boats, planes and cars that are guaranteed to provide hours of entertainment for the young and old alike. Turn those long, dull evenings into pleasurable ones with a model kit that is fun to build and makes a nice display when completed. A complete line of kits and tools to work with can be seen at the Hobby Center.

There's nothing like a child's shining face on Christmas morning and that face would really beam if a new bicycle were waiting. Campbell-Cambrian Cyclery says it's later than you think and $1 down and a small payment each week will hold that bike for you. Or if the old bike looks like it could be used longer with a little work, bring it in and let an expert overhaul it for only $7.50.

Had any baseballs knocked through your window lately? That's kids for you but Strong's Paint Co. will install new windows in no time at all. Whether it's a car or your house window, Strong's will replace it quickly and expertly. And remember, broken windows can be dangerous. Strong's says "call us" and and those windows will be replaced faster than you can say "Yer out!!"

Like to walk around the house barefoot in the morning? Those wood floors get pretty cold some mornings, particularly in the winter. Why not let Blendwell's install wall-to-wall carpeting and forget about shoes. It's safe for the tots too, who seem to make a habit of crawling into everything. And remember, that package price includes custom made draperies to enhance your home's appearance.

S&W Chevron still has that new Plycron Atlas tire on sale and at a low, low price. Don't take a chance on smoothly worn tires when the Atlas tire with an amazing written warranty is available at S&W Chevron on the corner of Winchester and Campbell Ave. Above all, don't start on that vacation without having those tires checked.

It's fun to tinker around with the family jalopy and save on repairs bills. Western Auto has a complete line of car needs including carburators, fuel pumps and generators. The new owner Johnny Sullivan says he has that part in stock for you to make the necessary repairs.

Those S&H Green Stamps really add up in a hurry when you think of the many drug items one purchases in a month. Aero Pharmacy provides the stamps and the quality merchandise. So why not accomplish two things at once by getting your pharmaceutical necessities and those Green Stamps at one convenient location.

Ever visit a neighbor with a color television and drool over the wonderful reception and color? You may think that you can not afford one but Neel Timmins at TV Standard can show you how wrong you are. The new 1958 RCA Victor models are now on display and can be yours.

The great American public is becoming more outdoor conscious every day. We all like to barbecue and eat out and it can be even more fun with a nice table to eat on and benches to accommodate the family and friends. U-Do-IT Patio Shop can make your outdoor eating a habit. And if you like to lounge after dinner, the shop has a special sale on chaise lounge patio pads. Start living today!!

Do you find that old shelf space inadequate for your present needs? Then why not get busy and build some new shelves with an assist from Campbell Lumber. Dry shelving board is the special this week at only 12 cents a foot. You can build a lot of shelves at this price and save on those space worries. Get the canned goods in the kitchen at easy reach with this wonderful shelving special.

Al Conley can boast with pride about his insurance record which speaks for itself. And Conley Insurance will do an intelligent and careful job in helping you solve your insurance problems. It costs so little to have protection for you and your family, however, that little cost should be invested wisely and Al Conley is the man to make that investment with.

Looking for a nice apartment in Campbell? Well Bill Harrison has four new 1-bedroom apartments that are available August 15. Bill says you can't find a better rental than those modern dwellings that have stove, refrigerator and central laundry facilities furnished. And if you are thinking of buying, Bill Harrison has many beautiful homes in this area.

House of Carpets and Furniture has some specials on step tables and occasional tables that are really bargins. This sort of furniture takes a beating what with kids and all, so if you're thinking of replacing a few pieces, this is a grand opportunity. There is also some discontinued Mohawk and Bigelow rug samples for only $1 each.

Still having troubles with that battery on mornings when you only have ten minutes to make it to work? Well, Nubs at Schoenberger's Shell Station has plenty of Goodyear and Nic-L-Silver batteries that will whisk away your problems. No sense looking for a push every morning when you can drive right in and pick up a new one in no time at all.

PLANNING ON PLANTING?

GARDENER'S CHECK LIST

By The California Association of Nurserymen

REMINDERS

1. Protect your garden hose and add years to its life. Use a hose reel or hanger.
2. If flies are a problem around your patio or barbecue area, regular use of the new fly baits will help control them.
3. Dichondra should be fertilized regularly. Liquid or organic fertilizer should be used.
4. Use a multi-purpose dust to control Diabrotica beetles and caterpillars.
5. Use a lawn sprayer for quick and easy application of liquid fertilizers, and lawn moth, and earwig insecticides.

Shrubs For August

Flowering shrubs, the everlasting joy of the home gardener, may be selected to lend late summer glamour to your home landscaping. Although most flowering shrubs bloom in spring and early summer, your local nurseryman has several which bloom in August, giving the garden planner an opportunity to enjoy almost perpetual color.

Shrubs are the basic part of foundation planting around a California home. If the gardener keeps his plan simple and chooses shrubs with regard to their full-grown size and appearance, the result will be permanent carefree beauty.

The California Association of Nurserymen recommends the following late-blooming shrubs to all gardeners in the state, except those in the high mountainous regions.

A most popular late-blooming shrub is common myrtle (myrtus communis), a small-leaved, rounded plant which is useful as a hedge as well as for foundation planting. This dark-green shrub produces white flowers in August and September. The blossoms are the forerunners of half-inch blueish-black berries.

Glossy abelia (abelia grandilook shabby during cold winflora), which is the most popular abelia. Suitable for either sunny or shady areas, the glossy abelia grows to about 4 to 6 feet and, although it can be pruned to a compact shape, grows naturally in graceful arches. The fragrant flowers bloom from July to October.

Two hypericum species are available for late bloom. Hypericum palulum henryi gives lovely golden yellow 2 inch flowers from July to October. This low, bushy, semi-deciduous shrub grows best in the warmer areas of California. In the high mountain regions it has a tendency to ters. This hypericum is sun-loving, but isn't choosy about the soil in which it lives.

The other hypericum, h. moserianum, differs in size and time of bloom. Because it grows even lower and more bushy, it can aptly be used as a foundation shrub. It blooms in July and August. Another very low grower (h. calycinum) is a popular ground cover.

Grevillea rosemarinaefolia is a low, rambling shrub with almost continuous pretty red tassels blooms. Grevillea may be used when a hanging shrub is required, for example, dropping gracefully over the edge of a retaining wall.

A change of name for one of the very useful August blooming shrubs might confuse some garden planners. Veronica buxifolia and Hebe Buxifolia are the same shrub. Horticulturists have decided that this low, compact, boxy shrub fits more correctly into the Hebe family. The new name doesn't subtract from this attractive shrubs usefulness for August bloom in shady spots. Hebe buxifolia has tiny white blossoms.

Simplicity is a necessary prerequisite to successful garden planning. A few appropriate shrubs, planted in groups of 3 or 4 or more is far more effective than a wide variety of types in one location. The glossy abelia, for example, is a very pretty shrub, but its appearance is much improved by setting a group of these shrubs together.

Since the purpose of investigating August blooming shrubs is to complement those that bloom in the spring, the home gardener might wisely use a spring'flowering shrub such as dwarf barberry (berberis buxifolia nana), a low shrub with May blooms, in a grouping with the taller abelia. Perhaps one of the low-growing August blooming shrubs might be contrasted effectively with a winter blooming shrub such as erica melanthera.

Annuals For Fall

Early fall-blooming annuals may be purchased in nursery flats now, to provide lovely flowers which will continue to blossom for many weeks. After planting, the home gardener will need only to water casually and harvest many beautiful cut flowers. This ability to thrive without attention makes annuals the favorites of novice gardeners.

Veteran gardeners, too, appreciate the annuals' yield of cut flowers, for they come at a time when other flowering plants are beginning to fade. The more often annuals are cut for indoor decorations, the more bounteous their crop of beauty.

In California, three of the most popular late-summer and early-fall bloomers are petunias, marigolds and zinnias. All thrive best in full sun.

Petunias are commonly recognized in their familiar clumps, but certain varieties (balcony petunias) are suitable for trailing out of window boxes or off walls. Available in many shades of red and blue, the petunia has the unique advantage of being drought resistant, and is successfully grown in dryer areas without extra attention.

An outstanding feature of the marigold is the long-lasting beauty of cut flowers. With proper care, cut marigolds retain full beauty for as long as two weeks. Marigolds are strongly scented, and range in color from yellow through velvety red. African Marigolds are available now in hybridized forms which resemble carnations, dahlias and chrysanthemums, and require little attention.

Zinnias thrive in all sunny areas of California, and are especially suited for Central Valley and Southern California areas, taking well to hot weather. Popular varieties of zinnias are available with pompon as well as shaggy shaped flowers. Zinnias offer a wide selection of sizes and come in all colors except green and true blue. They provide something to suit every preference, and many varieties may be effectively combined for contrasting or complementary color schemes. There are many popular dwarf varieties which grow to less than 2 feet and other varieties that reach 3 feet to provide the necessary graduation in size necessary for effective combinations.

CITY OF CAMPBELL, CALIFORNIA
NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the City of Campbell Planning Commission has set the hour of 7:30 P.M. on Tuesday, the 20th day of August, 1957, in the City Hall at 75 North Central Avenue in the City of Campbell, California, as the time and place for public hearing on the application of WEST VALLEY POST NO. 158 THE AMERICAN LEGION for:

A Use Permit to maintain and use bldg located on East Parr Avenue as a meeting hall with caretakers room.

(Property description on file in City Clerk's Office)

INTERESTED PERSONS may appear and be heard at said hearing.

CITY OF CAMPBELL
PLANNING COMMISSION
DOROTHY TREVETHAN,
City Clerk, Secretary
Publish August 1, 1957

LEGAL NOTICE

ORDINANCE NO. 138

BEING AN ORDINANCE OF CITY OF CAMPBELL, CALIFORNIA, FIXING THE AMOUNT OF REVENUE NECESSARY FOR THE OPERATION OF THE VARIOUS DEPARTMENTS OF CITY OF CAMPBELL, AND TO PAY CITY INDEBTEDNESS DURING THE 1957-1958 FISCAL YEAR OF SAID CITY.

WHEREAS, the City Council of City of Campbell has found and determined that City of Campbell will reasonably require the sum of Three hundred fifty-seven thousand, ninety-three and 71/100 dollars ($357,093.71) to operate the various departments of the City,

NOW, THEREFORE, the City Council of City of Campbell does ordain as follows:

SECTION ONE: The sum of Seventy-one thousand nine hundred twenty-five and 31/100 dollars ($71,925.31) is hereby fixed as the amount of money to be raised by taxation of taxable property in the City of Campbell as a revenue to operate the various City departments and to pay City indebtedness for the current year 1957-1958.

PASSED AND ADOPTED this 29th day of July, 1957, by the following vote:

AYES: Councilmen: Fairchild, Morton, Rose, Schmidt, Chargin
NOES: Councilmen: none
ABSENT: Councilmen: None

APPROVED
JOHN M. CHARGIN
Mayor

ATTEST:
DOROTHY TREVETHAN
City Clerk

I, Dorothy Trevethan, City Clerk of the City of Campbell certify that the foregoing ordinance was passed and adopted at a regular meeting of the City Council of the City of Campbell on the 29th day of July, 1957.
